Job Description Form

Department	Communications
Location	Hybrid: PAGE Atlanta Office & Remote
Job Title	Communications Specialist: Video & Multimedia Storytelling
Supervisor	Director of Communications

Type of position: [X] Full-time [ ] Part-time-Eligible [ ] Part-time Ineligible <75%	**40 Hours / week** [X] Exempt [ ] Non-exempt	

GENERAL DESCRIPTION

The Communications Specialist: Video & Multimedia Storytelling supports the mission of the Professional Association of Georgia Educators (PAGE) by producing visual and written content that informs and celebrates its members while also communicating to external and internal stakeholders.

The individual in this role serves as lead producer of this content – coordinating, in collaboration with the Director of Communications – all aspects of ideation, creation, project planning and tracking, securing approvals, implementation, and monitoring/reporting post-launch analytics.

JOB DUTIES

In collaboration with the Director of Communications and as part of a team that includes a Communications Specialist: Digital Media & Storytelling, the position's duties include the following.

Primary:

1. Videography
2. Photography
3. Graphic Design
4. Write, edit, and proofread individual and team-produced deliverables
5. Travel throughout the state to capture video and photos for PAGE events, presentations, and member interviews.
6. Create and maintain detailed production schedules for individual projects to ensure timely publication.
7. Collaborate on team-produced creative including digital magazine.
8. Edit photos, videos, and all forms of stakeholder communications.
9. Maintain library of digital assets, including photos, videos, graphics, and animations.
10. Assist with preparation of materials for PAGE Board of Directors meetings and department award submissions.
