## **PAGE Garners Top Workplace Designation**

ATLANTA – February 28, 2020 – The Professional Association of Georgia Educators (PAGE) has been awarded a Top Workplaces 2020 honor by The Atlanta Journal-Constitution.

The organization earned the Top Workplaces title as a result of stellar rankings by PAGE employees responding to an anonymous third-party survey designed to measure top drivers of engaged workplace cultures. In each category surveyed – company vision, leadership, job satisfaction, and more – PAGE staff rated the organization as exceptional.

Of the nearly 3,000 Top Workplaces 2020 participants, PAGE ranked 13<sup>th</sup> amongst the 65 total winners within the “small companies” (fewer than 149 employees) category.

“PAGE earned recognition as a top workplace because of excellent people who enjoy serving educators and Georgia public education,” said Executive Director Craig Harper. “We take care of one another and our members like family.”
