Accountability Engine/Knowledge Development

Key Questions = the vertebrae of True Accountability

Key Question

Change/Decision

Sunset Target—When can we reasonably expect the capacity to be in place?

System Response

“To what degree …”

Public View

Internal View

“What decisions do we need to make to become the system we said we need to be?”

Evidence

“We will be a system/school with the capacity to …”

“What will we accept as evidence that the capacity is in place?”
