

**PAGE**  
Professional Association  
of Georgia Educators

Dear Parent,

As part of participating in our education pathway class, your child is invited to join the Professional Association of Georgia Educators (PAGE) as a student member. PAGE is the state's largest professional education association with more than 90,000 members comprised of teachers, administrators, future teachers and other school employees. This membership will provide your child with a subscription to PAGE's professional journal, *PAGE ONE Magazine*, which we will use occasionally in our class. The membership also provides your child with \$1 million professional liability insurance and access to PAGE attorneys, which covers his or her activities while working with younger students as part of pathway assignments. The cost of this membership for high school students is only \$5, and it is good for twelve months.

If you are not familiar with PAGE, I invite you to visit their website at [www.pageinc.org](http://www.pageinc.org).

To join PAGE, your child simply needs to provide the information below along with the \$5 payment to me by this date: \_\_\_\_\_.

Thank you for allowing your child to participate in the education pathway.

Sincerely,

-----

Student's Full Name \_\_\_\_\_

Date of birth\* \_\_\_\_\_ SSN\* \_\_\_\_\_

Parent's Name \_\_\_\_\_

Parent's Signature \_\_\_\_\_

Date \_\_\_\_\_

\*Why do we need this? PAGE membership comes with \$1 million liability insurance plus legal services. Birthdate and social security number are needed in order to validate your child's policy. Privacy is important to PAGE, and they will never share this information.
