

Student Teacher Achievement Recognition

is sponsored annually by

PROFESSIONAL ASSOCIATION OF GEORGIA EDUCATORS

Craig Harper, Executive Director | www.pageinc.org

PROFESSIONAL ASSOCIATION OF GEORGIA EDUCATORS FOUNDATION

Ann Stucke, Ph.D., President | www.pageinc.org

GEORGIA CHAMBER OF COMMERCE

Chris Clark, President & CEO | www.gachamber.com

PAGE, with more than 95,000 teachers, administrators and support personnel, is Georgia's largest association of educators. PAGE provides professional learning for educators that will enhance professional competence and confidence, build leadership qualities and lead to higher academic achievement for students, while providing the best in membership, legislative and legal services and support. PAGE also honors outstanding students and educators and encourages academic excellence through competitive academic initiatives. As a 501(c) 3 organization, the mission of the **PAGE Foundation** is to support the core business of PAGE by encouraging and receiving charitable gifts that support PAGE Foundation Scholarships for experienced and aspiring educators and challenging academic programs for students.

As the state's largest business advocacy organization, the **Georgia Chamber of Commerce** represents investors in every county of the state with a diverse cross-section of more than 500 industry sectors. No matter the size or type of business, the chamber provides proactive policy, aggressive advocacy and meaningful investor services that impact your bottom line. Our No. 1 mission is keeping, growing and creating jobs to make Georgia a better state for business.

PAGE STAR Program

The PAGE STAR program honors Georgia's highest-achieving high school seniors and the teachers who have been most instrumental in their academic development. The Georgia Chamber of Commerce launched the program in 1958. In 1994, the PAGE Foundation was invited by the chamber to assume responsibility for the administration and promotion of the statewide program.

The success of the Student Teacher Achievement Recognition program is owed to the support of more than 170 business and civic groups and to hundreds of high school counselors, principals and superintendents. Perhaps the best-known academic recognition program in the state for high school students and teachers, STAR helps to identify and cultivate Georgia's future leaders.

Since its inception, STAR has honored more than 27,000 high school seniors and their STAR Teachers. Sponsors of the state STAR program are the Professional Association of Georgia Educators, the PAGE Foundation and the Georgia Chamber of Commerce.

The purpose of the STAR program is threefold:

- to recognize academic achievement in Georgia's high schools and to motivate students to be good scholars and high achievers;
- to honor excellence in teaching, to promote teaching as a career and to encourage outstanding teachers to remain in the classroom; and
- to demonstrate the business community's commitment to excellence in education and to increase interaction between students and the business community.
