

# PAGE ENGAGE!

A PAGE PROFESSIONAL LEARNING EXPERIENCE

The Professional Association of Georgia Educators presents **PAGE ENGAGE!** - a professional learning experience that empowers educators to transform schools and classrooms into engagement and equity-focused environments where students thrive and teachers excel.

A fully collaborative, transformational experience, **PAGE ENGAGE!** blends innovation with real-world, real-time application. Within each **PAGE ENGAGE!** session, facilitators provide the strategies, tools, and conceptual framework to guide participants as they become co-creators of their own engagement and equity-focused solutions.

PAGE welcomes teachers, academic/instructional coaches, college professors, and others currently teaching in a Georgia school or college. **School teams are encouraged.** Pre-service college of education students may also attend. Through **PAGE ENGAGE!** you will acquire vital skills and practical knowledge to transform teaching and learning in your classroom, your school, and beyond.

---

## PAGE ENGAGE! CONTENT

---

Session 1 - Gain a holistic understanding of students' needs and their varied motives for learning, including developing teaching strategies that address equity needs

Session 2 - Design meaningful, engaging work across departments, grade levels, and teams

Session 3 - Extend engaging work from your classroom to your school as you develop skills for building effective relationships and two-way communications

Learn to leverage essential resources (information, time, people, space, and technology) to fully implement meaningful work

---

**Registration Information:** There is no registration fee for **PAGE ENGAGE!** and all resources are provided. **PAGE members will be reimbursed for mileage and substitutes.** A certificate of completion will be provided for those completing **all** sessions. If there are no cohort locations within reasonable driving distance from your area, please inquire. PAGE is willing to create additional cohorts if there is sufficient interest. In the event on-site meetings are not possible, virtual sessions and online learning will be available.
