**TO:** GAD Coach – District-level Championship and Wild Card Teams  
**FROM:** Michelle Crawford, State Director  
**DATE:** January 24, 2022  
**SUBJECT:** State Competition

Congratulations! You are now eligible to participate in the virtual state competition for Georgia Academic Decathlon. This is an event where you will continue the learning process you began last fall; and the learning will take place in an exciting state competition format.

## Registering for State Competition

All the forms necessary for registering your team for the state competition of Georgia Academic Decathlon can be downloaded or submitted from the GAD website ([www.pageinc.org/gad](http://www.pageinc.org/gad)). Once on the GAD home page, select “State Competition” from the left-side navigation menu. After you have downloaded the forms, please review each carefully. Your Team Registration and Team Roster Spreadsheet must be submitted ASAP but **no later than January 31** so that preparations for the online state art and essay competitions can be completed. The remaining forms and the **deadline for registering your team for state competition is NOON on Friday, FEBRUARY 4, 2022**. It is imperative that we receive your registration materials by this date so that we may do the preparatory work for the state competition. **You will need to make 9- 12 copies of the Student Registration and Parent Permission Form.** (One copy per team member, include forms for any alternates.) You will receive a confirmation of your team’s registration once we receive your team’s completed registration packet. (The Student Registration form must be returned for every student on your team, even if they are only an alternate.) You’ll find a helpful checklist on the last page of this document.

**IMPORTANT:** USAD has instituted a National Competition registration fee of \$250 (online) to participate in National Competition. In order to assist Georgia's National representatives we require a \$75 per team State Competition registration fee. As soon as our National representatives are identified, PAGE GAD will pay each team’s National Competition Registration fee from the State Competition fees collected. You will receive an invoice prior to state competition.

## T-Shirts

T-Shirts can be pre-ordered at a cost of \$10 per shirt. You must place your order online by February 8. Shirts will be distributed at State Competition. We cannot accept cash payments.

**Hotel Reservations – Gwinnett Place Sonesta**, 1775 Pleasant Hill Rd, Duluth GA 30096, Direct Phone: (770) 923-1775  
The Sonesta has included a limited breakfast buffet on Saturday and Sunday mornings. This is included with your room rate. We want to encourage everyone coming from out of town to stay at the Sonesta.

Hotel reservations with the Sonesta must be made by using the provided forms and emailed to the person indicated on the form. GAD is not responsible for making your hotel reservations. Don’t wait to make your reservations! The hotel has fewer rooms available than in the past. After the registration deadline the negotiated room rate is not guaranteed.

If you will be bringing a bus, please park it in the BACK lot of the hotel – by the ballroom entrance. NOT in the front or side lots.

## Are You Bringing Alternates?

If you are bringing alternates who might be available to serve as student volunteers, please let us know as soon as possible. Service hours can be earned.

## **Team Identification Number**

Your team's identification number will be placed on the GAD section of the website on/around February 4. A very important reason for getting your team's registration information in on time is that we will need to know what systems will be participating in the state competition as well as the enrollment of each of the participating schools in order to determine team identification numbers for Division I and II assignments. **Please be sure to include your school's enrollment in the space provided on the Team Registration Form.** Be respectful to all participating teams by meeting the registration deadline and making sure that the line requesting the enrollment of your school is filled in.

## **Competition Schedule**

We are currently working on the final version of the State Competition schedule. Art and Essay will take place online on Feb. 7-8, the remaining tests will take place online during the school day on Thursday, Feb. 24. The remaining events will be conducted in-person at Parkview High School and the Gwinnett Place Sonesta on Feb 25 – 26. **The updated 2022 State Competition schedule will be posted on the State Competition section of the website ASAP.** See below for the Essay competition information.\*

## **Reminder for Speech and Interview Competitions**

In order to facilitate speech competition, we are requiring that each decathlete provide a written copy of his/her speech. Coaches should deliver printed copies of speeches at check-in on Friday, Feb 25. All medaling speeches will be checked for originality.

Students should prepare a one-page resume to be used during the Interview event at State Competition. Samples can be found in the Coaches Manual on the website. Please print 3 copies of the resume. You will not be able to print them on site. If a student does not have a resume prepared, the interview will be conducted as scheduled but the student may be at a slight disadvantage. We recommend you not rely on printing these at the hotel – **PRINT THEM BEFORE YOU TRAVEL TO STATE.**

Please be sure to print the pages regarding dress code, student code of conduct, academic honesty and plagiarism, and familiarize yourself and your team with these guidelines. The students must sign a statement indicating that they've read and will adhere to them.

## **Art and Essay**

The Art and Essay events take place online a couple of weeks prior to State competition. The mandatory practice log-in for the online essay event is scheduled for February 3 - 4. This practice log-in is mandatory so that we can make sure you can connect to the testing portal. The Actual Testing is scheduled for February 7 - 8. We suggest you attempt to use the first date in case you encounter any problems. More instructions including usernames and passwords will be sent to you via email on or around February 2.

## **Testing**

Tests will be completed virtually, just like they were in Rounds 1 and 2. Instructions and the specific testing schedule will be sent to you via email. You will need to have a proctor for all of the online tests, including Essay. Every student **MUST** take the tests at the scheduled time. Any student testing outside of the schedule will be disqualified.

## **Competition Odds and Ends**

State Competition will again be at Parkview High School. Additional information about parking, bus drop-off, and entrance to the building is posted online. Please familiarize yourself with the DROP-OFF area and the TEAM PARKING areas. Bus drivers should drop the team off in the bus turn-around lane (by the WELCOME banner) and then park the bus in the FARTHEST parking lot (indicated on map on State Competition page of website). **No vehicles should go BEHIND the school. There isn't room for a bus to turn around behind the school.** If your bus driver has any questions after seeing the maps and instructions, please ask them to call the State Director.

The Art test will be given online prior to State competition, along with the Essay Event.

The Interview event will again take place in an arena format. Instead of students going into separate rooms to conduct their interviews, they will be in one big room with all other students who are scheduled at the same time.

Testing will take place during the school day on Thursday. You will need a proctor.

The Super Quiz will be a collaborative event but will not count toward overall team scores. It will be a stand-alone competition with trophies presented for 1<sup>st</sup> through 3<sup>rd</sup> places. Only team awards will be given for Super Quiz; no individual medals will be given. The first round will consist of 13 questions for Varsity students. The second round will be for Scholastic students, and we will finish with 13 questions for the Honor students.

## **State Winners and National Representatives**

The PAGE Georgia Academic Decathlon state competition will have a Division I (large school) and a Division II (small school) championship team. The championship team (either Division I or Division II) with the highest team score will represent Georgia at the virtual national finals April 21-23, 2022. (State division population sizes can vary from year to year and will be posted online as soon as state competition registration is complete.)

Georgia will also tap the 2<sup>nd</sup> highest scoring team in a different USAD division to participate in Nationals as our Division IV team. Additionally, we will have representatives competing in the Small, Medium, and Large School National Online competitions.

## **Awards Banquet**

This is the celebration even when students receive medals for outstanding performance in each of the 10 events and teams receive trophies for their Super Quiz standings and overall in their divisions. Please note: Complimentary banquet tickets are provided for a maximum of 9 team members and 2 coaches (11 tickets). Teams will be charged for complimentary tickets that are requested but not used. You will be able to purchase banquet tickets for any alternates who travel with your team to the state competition, but in an effort to limit contact and provide as much social distancing as possible, no tickets will be available for purchase for additional guests. No refunds are given for unused tickets. ALL tickets must be ordered by February 17.
