Super Quiz is a collaborative team competition in which members of the team work together to answer 13 questions. There are 3 rounds of questions, one for each of the three Academic Decathlon categories of students. The students answering the questions will be seated at a table on the gym floor opposite of their team Proctor. Proctors will be responsible for making sure that the students are following ethical testing protocols and ensuring there are no issues.

There will be a brief proctor training session just prior to the competition. The competition will end by 6:30 PM and proctors are invited to stay for a pizza supper.

As you enter Parkview High School, please sign in at the volunteer table. You will be directed into the gym for training. Thank you again for volunteering your time and expertise. Please call me if you have any questions or any problems.
